CHC

Leadership

JIM KENDRICK

President and Chief Executive Officer

Jim built his career helping hospitals regain and maintain financial and operational stability. He helps advance rural and community hospitals, provides leadership throughout CHC, and is the past Board Chair of the Texas Hospital Association.

JUSTIN DOSS

Chief Operating Officer

Justin oversees hospital operations, strategic partnerships, and organizational performance across a national network of healthcare organizations. His responsibilities include operational excellence, financial performance, quality, supply chain, business development, and strategic growth initiatives.

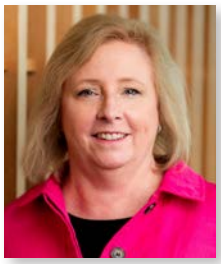
TRACIE BEDEAUX

SVP and General Counsel

Tracie is responsible for oversight and guidance of all legal matters affecting facilities and organizations of CHC and its affiliates. She oversees compliance, corporate governance, and other general corporate matters.

LAURIE BREEDLOVE

SVP Benefits and Administration



Laurie manages all CHC employee benefits and corporate compensation while supporting the CHC Board of Directors. She has deep knowledge of mergers and acquisitions, contract development and negotiation, and human resources strategy.

BRIAN DOERR

SVP Information Technology and Security and Privacy Officer

Brian is responsible for the implementation and development of all IT, security and privacy related programs for CHC and CHC hospital clients. He leads AI initiatives, the Hospital At Home program, and telecom funding.

DAVID DOMINGUE

SVP Business Development

David is responsible for business development and client relationship management. He creates long-term value for CHC by identifying and nurturing new opportunities, building relationships, and leveraging growth-driven strategy.

CHC

Leadership

JAMES HILL

SVP Corporate Finance

James oversees the financial direction of CHC and its affiliated hospitals. He also provides financial and operations consulting services for Community Hospital Consulting clients.

KELLI HOHENSTEIN

VP Clinical and Quality Services

Kelli oversees the clinical and quality excellence of CHC affiliated hospitals and provides consulting services to CHC Consulting clients. She has served in Chief Nursing Officer roles and presided over clinical operations for multiple hospitals.

MARYBETH MORAN

SVP Human Resources

Marybeth is responsible for human resources services across CHC-managed, leased, and owned facilities, as well as CHC Consulting. With more than 30 years of experience, she has a strong background in human resources and operational leadership.

MICHAEL MORGAN

SVP Strategic Analysis

Michael provides analytical support to CHC hospitals including cash flow forecasting, evaluation of debt refinancing opportunities, and service line financial performance analysis. He evaluates opportunities for organizational growth, including new ventures.

APRIL MYERS

SVP Post-Acute Operations

April has operational oversight for all owned CHC ContinueCARE long term acute care hospitals (LTACHs). She is an advocate for LTACHs, their important role in the healthcare continuum, and serves on the board of the National Association of Long Term Hospitals.

JON PRUITT

SVP CHC Supply Trust

Jon leads a quality-based, comprehensive supply chain management strategy for CHC's supply expenditures and resource utilization. He focuses on best practices and proactive supply optimization.

CRAIG SIMS

SVP Hospital Operations

Craig supports the operations of CHC's owned, managed and consulting hospital clients. He brings an extensive knowledge of hospital operations, physician practice management, and healthcare strategy and development to the CHC team.

JOE THOMASON

SVP Hospital Operations

Joe leads the operations of CHC's owned, managed and consulting hospital clients. He has expertise in multihospital operations, strategic market and partnership development, physician recruitment/development and performance improvement.

CHC

OVERVIEW

KEEPING THE H IN HOMETOWN

Community Hospital Corporation (CHC) understands that community-based hospitals are vital assets to those they serve. That's why we provide resources to strengthen and support community-based hospitals, including flexible, individualized consulting services along with ownership and management models when it makes sense.

Together with hospital boards and leaders, CHC establishes a strategic vision for the future, paves the way to operational and financial improvement, and masters tricky regulatory compliance.

HELP WHERE HOSPITALS NEED IT®

Hospitals turn to CHC with confidence because of our unwavering commitment to help preserve and protect community hospitals in the least obtrusive way and as part of a collaborative process. CHC's expertise in healthcare and focus on community-based hospitals uniquely qualify us to develop custom-fit solutions to ensure hospitals remain locally operated and governed.

GUIDANCE AT EVERY TURN

Community Hospital Corporation owns, manages and consults with hospitals through CHC Hospitals, CHC Consulting and CHC ContinueCARE, with the common purpose to guide, support and enhance the mission of community hospitals and healthcare providers. Based in Plano, Texas, CHC provides the resources and experience community hospitals need to improve quality outcomes, patient satisfaction and financial performance.

"Challenges are nothing new for rural and community hospitals. Over the last 30 years, the industry has faced a variety of significant changes and evolved to meet community needs. At CHC, we are all determined to continue advocating for and improving community healthcare."

Jim Kendrick, President and CEO | Community Hospital Corporation

A PATH TO FUTURE SUCCESS

CHC Consulting provides management and consulting services and solutions tailored for community-based hospitals. Many clients who engage us begin with our comprehensive operational assessment, which evaluates the hospital's finances, leadership, staffing, supply chain and revenue cycle, among other factors. This analysis identifies organizational strengths and vulnerabilities along with an action plan to get the hospital on track for future success.

We understand that your hospital is a valuable community asset. Our primary focus is to guide, support and enhance community hospitals and healthcare providers to help maintain local healthcare services. We do this by providing the resources and expertise needed to improve hospital performance and sustainability.

Community and rural hospitals across the country have trusted CHC for decades. We have successfully turned around many distressed hospitals across the country, and we can put this expertise to work for you.

"If you're a standalone hospital in a rural community, you need to take a look at CHC. They deal with the particulars of smaller hospitals. Similar expertise is simply not out there when it comes to the operations of a smaller hospital."

Troy Bruntz, President and CEO
Community Hospital | McCook, Nebraska

A STRONG HISTORY
OF HELPING HOSPITALS

CHC has consistently earned top employer recognition in the DFW Top Workplace Competition and among Becker's Hospital Review's Great Places to Work in Healthcare.

1996 — **CHC is founded** in Plano, Texas.

1998 — **CHC aligns with Yoakum Community Hospital**, and two years later with Baptist Hospitals of Southeast Texas, providing a path of performance improvement for many community hospitals to come.

2004 — **CHC establishes CHC ContinueCARE** to advance long-term acute care hospitals, or LTACHs.

2005 — **New services: CHC Consulting is formed** to provide hospital consulting and management services, and later expanded to include supply chain management, managed care, and IT services.

2012 — CHC completes the first of many **Community Health Needs Assessments**, helping hospitals remain compliant with new federal regulations.

2015 — CHC, through a partnership with HealthTrust Performance Group, offers group purchasing organization (GPO) access to community hospitals and **launches CHC Supply Trust**.

2017 — **Jim Kendrick becomes President and CEO**, replacing CEO founder Mike Williams. Jim continues advocacy for rural and community hospital innovation and advancement.

2021 — **CHC celebrates 25 years** of supporting community hospitals.

2023 — **CHC Supply Trust** grows to serve 140 hospitals.

2024 — CHC is a six-time winner in the **DFW Top Workplace** awards.

2025 — **CHC's rebrand** unifies organizational strength.

2026 — **Justin Doss becomes Chief Operating Officer** after serving as CEO of Baptist Hospitals of Southeast Texas for five years.

"We are passionate about helping community and rural hospitals remain viable and valuable community assets for the people they serve. We continue to evolve and remain flexible in order to best serve hospitals during times of change and opportunity."

— Jim Kendrick, CHC President & CEO
