

## **SANDY IRVIN**

Director, Clinical and Regulatory Support for Post-Acute Services

As Director, Clinical and Regulatory Support for Post-Acute Services for CHC, Sandy Irvin is responsible for monitoring patient care and infection data, as well as developing and implementing organization-wide clinical policies and procedures that enhance patient care.

Sandy brings 25 years of experience in a variety of nursing positions to CHC. Most recently, she served as Chief Nursing Officer for HealthSouth Rehabilitation Hospital in Beaumont, Texas. She began her career as a Neurology ICU nurse with Christus St. Elizabeth Hospital in Beaumont, Texas. Through her career, Sandy gained deep clinical and administrative expertise across a variety of healthcare settings.

Sandy is a Certified Rehabilitation Registered Nurse.

She holds a Bachelor of Science in Nursing from Lamar University and is currently working toward a Master of Science Degree in Nursing Administration.
