ROBYN JAMES

Manager, Pharmacy Integration and Account Management

Robyn James is responsible for the integration of CHC Supply Trust members, including the integration of new members, as it relates to Pharmacy workflow, contract integration, compliance, education, and competency regarding CHC Supply Trust Clinical Initiatives. Robyn brings clinical and pharmacy finance expertise to the CHC team.

Before joining CHC, Robyn served over three years in the Methodist Health System, Dallas, Texas, in a variety of roles and locations. Her broad experience includes Clinical Pharmacist, Health-System Pharmacy Administration Resident, (post-graduate year 2), and Pharmacy Resident (post-graduate year 1). As a Clinical Pharmacist, Robyn optimized and managed patient medication therapies while educating providers and staff on the Medication Therapy Management program, ensuring optimization and affordability of patient medication therapies. Additionally, Robyn implemented the Meds to Home Beds Program at Methodist Mansfield Medical Center, utilizing the system's 340B program to produce additional revenues.

Robyn holds a Doctor of Pharmacy from the University of Texas at Austin in Austin, Texas, and a Bachelor of Arts in Biochemistry and Cell Biology from Rice University in Houston, Texas. She is completing her Master of Science in Health Administration at Texas Tech University in Lubbock, Texas. Additionally, Robyn is licensed as a Texas Pharmacist and a Texas Pharmacist Preceptor.
